Grade 4

Chapter 1 Extension Project

Objective:

Students will make a poster showing a list of items they normally buy, and compare the prices.

Requirements:

- Students will come up with a list of items they buy. Items can range from food to clothing to music CDs or video games. They will research the prices and make a poster showing the items with prices, from least expensive to most expensive.
- Students may decorate the poster with magazine pictures of the items and use markers to make their presentation colorful.
- Challenge students to round the prices to the nearest dollar, and then list them again from least expensive to most expensive.
- Students will give a short 2 minute presentation to the class to share their poster and findings

Scoring Rubric:
