

# Grade 4

## Chapter 2 Extension Project

### **Objective:**

Students create a drive to recycle cans and bottles, and they keep records of their success.

### **Requirements:**

- Students make posters to publicize a drive to collect cans and bottles for recycling. Students keep records, adding up how many bottles and cans they collect each week. Students estimate how many they will collect in one month and then compare their actual collections with their estimates.
- Students add up how much money they will get for returning the cans and bottles for deposit. They can use the money they collect to make a donation to their favorite charity.
- Students will make a presentation (poster, PowerPoint, etc.) to present their findings to the class.
- Presentation should include information on how they selected the charity to donate to.

### **Scoring Rubric:**

Please print scoring rubric and attach to presentation or a copy of the this page.

Include name at the top.

### **Completion Date:**

Due to the length of the data gathering process, students will have up to 5 weeks after the end of Chapter 2 to submit this project.
