

Grade 4

Chapter 4 Extension Project Group Project

Objective:

Students will hold a clothing and canned food drive, and make a bar graph showing their progress for both items.

Requirements:

- Students ask fellow students, friends and family to donate clothing and canned food for them to collect and give to a charity.
- Students will work as a group. Students interested should let Mrs. Yeager know they are interested in the project within one week of beginning of Chapter 4.
- Students will make a bar graph showing one bar for clothing and another for canned goods. Each piece of clothing counts as one item and each can counts as one item. The bar graph can not only show the students' progress, but also allow them to compare the amounts of clothing and food they collect.
- Students should add the amounts they collect each day for one month to the bar graph

Scoring Rubric:

- Please print scoring rubric and attach to presentation or a copy of this page.
- Include name at the top.

Completion Date:

Bar graphs are due within 1 week of the completion of Chapter 4

Chapter Project Rubric

Score	Explanation
3	Student successfully completed the chapter project. Student demonstrated appropriate use of chapter information in completing the chapter project.
2	Student completed the chapter project with partial success. Student partially demonstrated appropriate use of chapter information in completing the chapter project.
1	Student did not complete the chapter project or completed it with little success. Student demonstrated very little appropriate use of chapter information in completing the chapter project.
0	Student did not complete the chapter project. Student demonstrated inappropriate use of chapter information in completing the chapter project.
