

# Grade 4

## Chapter 5 Extension Project

### Objective:

Students will put together a book for younger students (like the kindergarteners) to show things that occur in different multiples.

### Requirements:

- **One** could be an only child, a lone tree, just about anything. Hands and feet occur in pairs (**twos**). For three, some students may have 3 dogs, or 2 siblings etc. There are four wheels on cars, five toes on a foot, etc.
- Students should use their imaginations and illustrate each page of the book.
- 

### Scoring Rubric:

- Please print scoring rubric and attach to presentation or a copy of this page.
- Include name at the top.

### Completion Date:

Books are due 1 week of the completion of Chapter 5
