

Grade 4

Chapter 6 Extension Project

Objective:

Students will make an "expressions" game.

Requirements:

- Student write expressions on blank sheets of paper. They write one input and one output for each expression on separate pieces of paper.
- Make three piles : one for inputs, expressions, and outputs.
- To play the game: divide students into three groups- input, expression, and output- and have each group select a paper from the appropriate pile.
- "On you mark", students will look at their papers and hold them up so that the other students can see them. Students should form teams where the input, expression and output go together. The first team to form an accurate grouping wins.

Scoring Rubric:

- Please print scoring rubric and attach to presentation or a copy of this page.
- Include name at the top.

Completion Date:

Game sets are due 1 week of the completion of Chapter 6.

Chapter Project Rubric

Score	Explanation
3	Student successfully completed the chapter project. Student demonstrated appropriate use of chapter information in completing the chapter project.
2	Student completed the chapter project with partial success. Student partially demonstrated appropriate use of chapter information in completing the chapter project.
1	Student did not complete the chapter project or completed it with little success. Student demonstrated very little appropriate use of chapter information in completing the chapter project.
0	Student did not complete the chapter project. Student demonstrated inappropriate use of chapter information in completing the chapter project.
